10 Possible Signs of an Impaired Driver

Exaggerated or unusual driving can be a good warning signal that a driver is impaired. If you suspect someone is impaired, drive defensively, allowing space between you and the suspected car to avoid a collision. Have a passenger make the call or pull over while on your cell phone.

1. Driving unreasonably fast, slow or at an inconsistent speed.
2. Drifting in and out of lanes.
3. Tailgating and changing lanes frequently.
4. Making exceptionally wide turns.
5. Changing lanes or passing without sufficient clearance.
6. Overshooting or stopping well before stop lights or stop signs.
7. Disregarding signals and lights.
8. Approaching signals or leaving intersections too quickly or slowly.
9. Driving without headlights, failing to lower high beams, or leaving turn signals on.
10. Driving with windows open in cold or inclement weather.
